

NEWDAY 2015

We are so excited once again this year to invite you along to **NEWDAY!** Whether you are a Newday veteran or thinking about coming along for the first time, we'd love to have you join us for our annual summer camp. We all had so much fun last year! We will have a team of adult leaders from Jubilee Community Church joining our team to create our own little 'village' of tents and marquees amongst the several thousand other youth from churches across the UK. It is one amazing event!

When: Monday 3rd August to Sun 9th August 2015

Where: Norfolk Showground, near Norwich

Cost: Newday fees: £115 if you book before 22nd March or £135 if you book after. We will also be asking for an additional voluntary contribution of £70 at the start of July. The £70 is a contribution towards food, travel, equipment & other such costs.
NB. If cost is a difficulty for you please contact us as we never want the cost of an event to be an issue that stops people coming along to any of the events we run as part of the youth work here at Jubilee.

What is Newday? Newday is a summer camp run by the Newfrontiers network of churches for young people at secondary school or college (school years 7-13). It is a lot of fun and has a large number of activities including cafes, a skatepark, water fights, acoustic lounge sessions, loads of sports, arts & crafts and there is also great music with live bands and discos! There are morning & evening meetings which include learning more about God in a fun and interesting way.

Newday is well organised with a night security team and onsite emergency services. The NEWDAY team spend many months planning for a safe and secure environment.

We will do all bookings on your behalf. Please fill in an application form and return it to us ASAP. Do visit the Newday website – www.newdaygeneration.org. They have promo videos that you can watch. Further forms and details will be sent and meetings will be held nearer the time but if you have any questions in the meantime then please contact me on the details below,
